School Highlights

At Hart Middle School, we are proud to be a Full Service School where we merge leading practices of education and mental health services. Our mission at the Charles Hart Middle School is to build C.H.A.R.A.C.T.E.R. by: Celebrating Success, Honoring our Past, Achieving Greatness, Respecting Everyone, Acquiring Knowledge, Continuing to Grow, Tackling Challenges, Emerging as Leaders, and Representing Hope. We welcome our 7th and 8th grade students into a positive culture where administrators, teachers, and staff are committed to academic excellence and where we ensure that all students acquire the foundations they need to become lifelong learners and are able to compete in a competitive global society. We hold high expectations for all students and support them with strong instructional leadership in a safe and nurturing environment. Our students understand that being safe, responsible, and respectful is not a choice but it is our Hart Expectation. Located in Ward 8, our faculty and staff take great pride in being the "HARTbeat" of southeast Washington, D.C. We look forward to welcoming students and their families as we uphold the traditions of Charles Hart Middle School. At Charles Hart, we value education and uphold a culture of transparency, open communication and collaboration among all of our partners.
